Mix Resto – see on segu erinevatest teadmistest ja oskustest, mida meeskond on aastate vältel restoraniäris omandanud. Mix restoranis kogevad külalised meeskonna kogemuste parimaid palasid. Olgu selleks maailmaköögi või kodumaised road.

Austatakse toitu ning toorainet ning selleks tehakse tihedat koostööd kohalikke professionaalsete põllu- ja jahimeestega ning kaluritega.

Sama ideoloogia toimib ka nende joogivalikuga. Koostööpartnerid on valitud eelnevatest positiivsetest personaalsetest kogemustest ning tutvustest. Läbi aastate on säilinud omavaheline austus ja head suhted.

Arusaam teenindusest on välja kujunenud põhimõttest: mida sooviksime ise parimal teenindamisel kogeda, seda tahame pakkuda ka oma külalistele.

Neile on tähtis meeskond. Kõiki ühendab kirg pakkuda külalistele positiivseid elamusi, et ka lihtne lõunasöök võiks kujuneda erakordseks elamuseks. Kõigil meeskonna liikmetel on võrdne sõnaõigus restorani kujundamisel.

Mix Resto is a mixture of different knowledge and skills that the team has acquired over the years in the restaurant business.

At Mix Resto, guests will experience the best of the team's experience. Be it world cuisine or domestic dishes.

Food and ingredients are respected and we work closely with local professional farmers and hunters and fishermen.

The same ideology works with our choice of drinks.

The cooperation partners have been selected from previous positive personal experiences and acquaintances. Over the years, mutual respect and good relations have been maintained.

The understanding of service has developed from the principle: what we would like to experience in the best service, we also want to offer to our guests.

A team is important to us. Everyone is united by a passion to offer guests positive experiences, so that even a simple lunch can turn into an extraordinary experience. All team members have an equal say in the design of the restaurant.
